Distribution For Distributor and Customer Bulletin only

Attached Customer Bulletin may be copied to customers with affected product or instruct customers to access Service Bulletins at www.toro.com.

Situation Important Information

Toro has changed the seats for the Groundsmaster product lines and obsoleted the previous offering P/N 104-4620. This change requires a new seat assembly and base to be installed when a seat replacement is required.

Corrective Action Fix as Fail

Customers requiring a replacement seat on models and serial numbers listed will require a different seat assembly and base kits. Model and Serial Numbers outside the scope of this bulletin do not require any special action.

When a new seat configuration is ordered, the new seat assembly and base or attaching hardware must be ordered as shown in the table below.

Model Number	New Seat Kit Model/Part Number	Seat Mounting Plate
30854, 30864, 30864A, 30807, 30809, 30839/N, 30849	139-2700	138-6985-03

Safety Awareness Follow reasonable and customary safety precautions.
