## Maintenance Decal—Rework

Groundsmaster® 3200 and 3300

**Bulletin Type** Information Only

**Status** Final Release

**Affected Units**

Model Number(s)	Serial Number(s)
31900	406611526 through 407095912
31901	406577978 through 407732036
31902	406577988 through 407173421
31903	406578010 through 407423011

**Situation** Immediate Attention Necessary

The maintenance decal had incorrect part numbers listed at the beginning of production. The decals had the wrong filter part numbers called out.

**Corrective Action** Rework

**North America:** Customers with affected units that are registered with Toro, will have updated maintenance decals mailed to their registered address.

**Customers Outside North America:** Customers with affected units that are registered with Toro, will be contacted by their local distributor to coordinate delivery of the new decals.

Customers will need to install the new maintenance decal over the existing decal on the machine.

**Note:** If your machine is within the affected model and serial range, and you have not received your updated decals, contact your local distributor.

**Safety Awareness** Follow reasonable and customary safety precautions.

# Service Instructions

## Installing the Decal

1. Locate the maintenance decal inside the hood on the lower right side.
2. Wash the existing decal area and allow the area to dry.
3. Apply the new decal directly over the existing decal.
