Subject: Changes to Mitsubishi engine Exhaust and Intake Valves.

The Mitsubishi K3D engine intake and exhaust valves were enlarged along with corresponding changes to the cylinder head beginning with engine serial number 86155. Parts will no longer interchange with prior engines. Parts listed are available through your Toro distributor.

Valves, Intake and Exhaust:

Engines with serial numbers of **86155** and greater uses Intake Valve (93-1351) and Exhaust Valve (93-1352).

Cylinder Head:

Engines with serial numbers of **86155** and greater use a new Cylinder Head (93-1369).
