Subject: Accelerator Magnet part change.

The Accelerator Magnet used in the Multi Pro 1200 and Multi Pro 1250 vehicles have been changed from 93-4366 to **99-8090**.

The original magnet may not function properly if used as a replacement part on later production vehicles. The current magnet 99-8090 may be used on any Multi Pro 1200 or Multi Pro 1250 vehicles with no adverse effects.

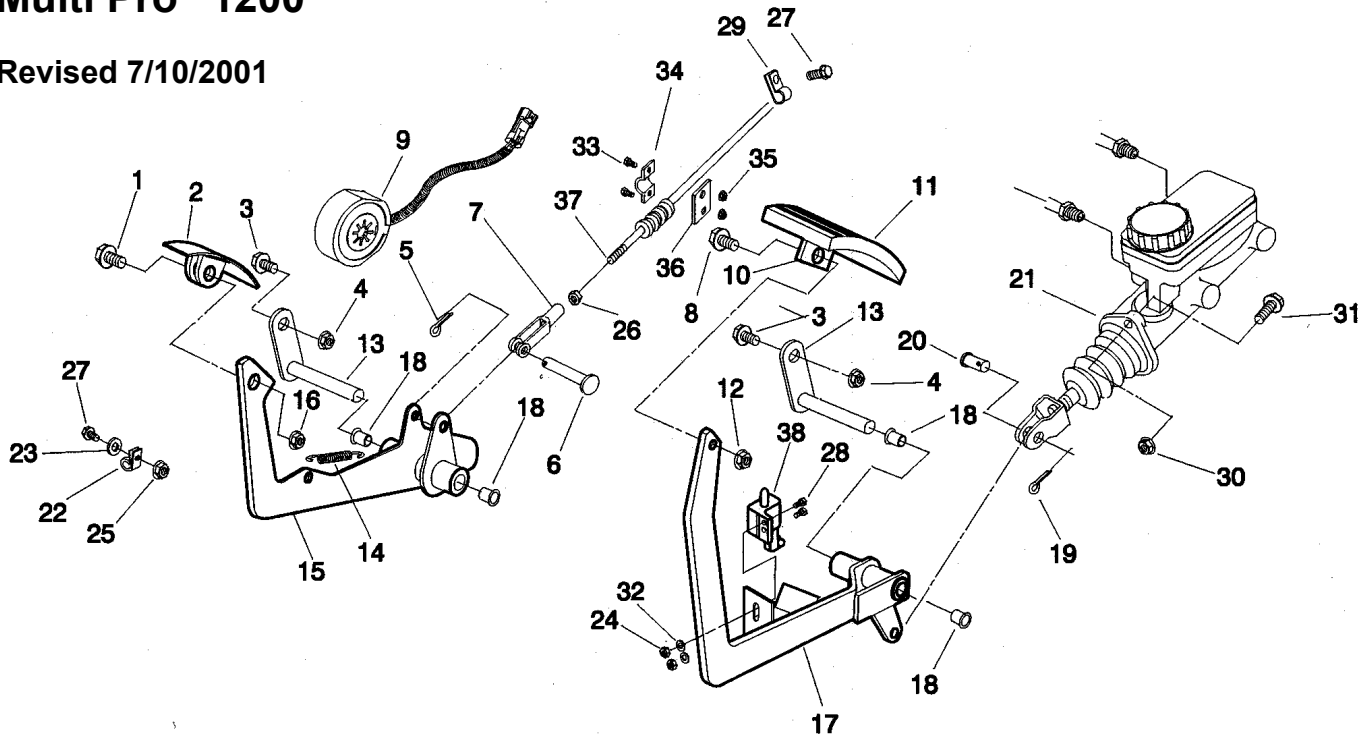

The original magnet will be retained in the Toro Parts system for other Toro products.

To avoid any possible adverse effects, please update your parts manuals.

Pages have been provided as part of this bulletin to update your parts manuals
