

TUV Deck Cover Kit

T4240 4-Wheel Drive 5-Plex Traction Unit

Model No. 02981

Installation Instructions

Installing the Covers

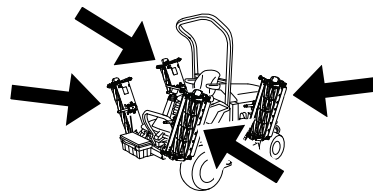

1. Move the machine to a level surface.
2. Raise the side cutting units.
3. Engage the parking brake, shut off the engine, and remove the key from the ignition switch.

⚠ DANGER

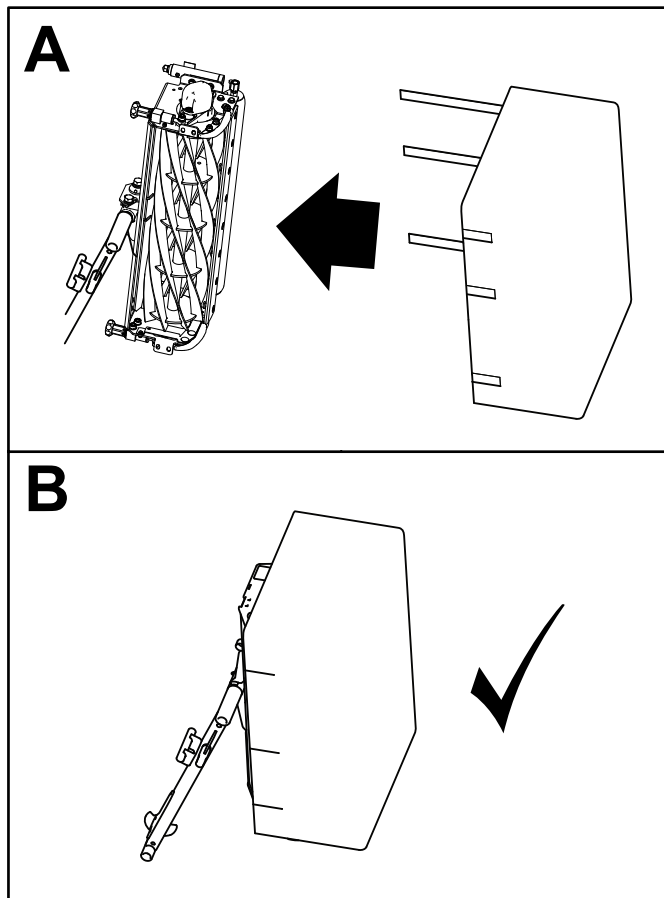

If you leave the key in the ignition switch, someone could accidentally start the engine and seriously injure you or other bystanders.

4. Lock the cutting units in the raised position using the transport latches.
5. Fit a cover over the 4 cutting units shown, and secure the covers with the straps provided (Figure 1).

Important: Remove the covers before lowering the side cutting units for use.
