

- 1. Motor—front wheel twinlock, 332cc/rev (953686)
- 2. Motor—front wheel twinlock, 332cc/rev (953682)
- 3. Manifold—front transmission (953683)
- 4. Valve—solenoid, work/transport
- 5. Valve—pilot operated, diff lock
- 6. Relief valve—serial lines, 80 bar
- 7. Valve solenoid—diff lock
- 8. Relief valve—front motor, 375 bar
- 9. Flow divider—front wheels
- 10. Valve—pilot operated, diff lock
- 11. Shuttle valve—hot oil purge
- 12. Relief valve—hot oil purge
- 13. Relief valve—serial line, 375 bar (953710)
- 14. Wheel motor—rear, 30cc/rev (953685)
- 15. Pump—transmission, 52cc/rev (953684)
- 16. Relief valve—charge pump, 29 bar
- 17. Relief valves—fwd/rev, 350 bar
- 18. Oil cooler (111-2215)
- 19. Filter—charge, 10 micron (924706)
- 20. Filter—return, 10 micron (924865)
- 21. Hydraulic oil tank (953802)
- 22. Check valve—transmission fwd/rev
- 23. Suction strainer—125 Micron (950608)
- 24. Valve—brake (74-06-015W)
- 25. Check valve
- 26. Orifice—1.5 mm dia.

|--|---|---|---|--|
| 1. Gear pump—center cutting unit drive (953750) | 12. Spool valve—cutting unit lift, center (111-1399) | 23. Solenoid cutting cylinders reverse (2-pl) (70-06-246) | 34. Hydraulic motor—right front cutting unit (910696) | 45. Test Point—cutting unit drive, front and center (910615) |
| 2. Gear pump—wing cutting unit drive (953750) | 13. Spool valve—cutting unit lift, right (111-1399) | 24. Cutter drive control manifold front and center (910699) | 35. Check valve/orifice—right front cutting unit | 46. Test point—weight transfer (910615) |
| 3. Gear pump—steering and cutting unit lift (953750) | 14. Solenoid valve, 131 or 212, right (111-7977) | 25. Restrictor valve—variable weight transfer (910709) | 36. Cutting unit drive control block—wing cutting unit (953600) | 47. Front transmission manifold (953683) |
| 4. Relief Valve—steering, 110 bar | 15. Solenoid valve, 131 or 212, left (111-7977) | 26. Relief valve—cutting units front and center, 250 bar (749610) | 37. Relief valve—wing cutting unit, 250 bar (953610) | 48. Return bypass manifold (910616) |
| 5. Steering unit (111-1835-03) | 16. Hydraulic cylinder—right wing cutting unit (953603) | 27. Diverter valve—center cutting unit (953601) | 38. Diverter valve—right wing cutting unit (953601) | 49. Check valve—oil cooler bypass, 4 bar (910641) |
| 6. Check valve—steering shock bypass, right | 17. Hydraulic cylinder—right front cutting unit (910109W) | 28. Hydraulic motor—center cutting unit (940602) | 39. Hydraulic motor—right wing cutting unit (910696) | 50. Suction strainer (950608) |
| 7. Check valve—steering shock bypass, left | 18. Hydraulic cylinder—center cutting unit (910109W) | 29. Check valve/orifice—motor bypass center cutting unit | 40. Check valve/orifice—right wing cutting unit | 51. Oil cooler (111-2215) |
| 8. Relief valve—steering shock, left | 19. Hydraulic cylinder—left front cutting unit (910109W) | 30. Diverter valve—left front cutting unit (953601) | 41. Diverter valve—left wing cutting unit (953601) | 52. Return filter—bypass check valve, 2 bar (924865) |
| 9. Relief valve—steering shock, right | 20. Hydraulic cylinder—left wing cutting unit (953603) | 31. Hydraulic motor—left front cutting unit (940602) | 42. Hydraulic motor—left wing cutting unit (940602) | 53. Oil tank (953802) |
| 10. Steering cylinder—rear axle (924724) | 21. Solenoid valve assembly—cutting unit drive (2-pl) (70-06-245) | 32. Check valve/orifice—left front cutting unit | 43. Check valve/orifice—left wing cutting unit | 54. Orifice—wing cutting unit hydraulic cylinder, 1.4mm (2-pl) 65-06-019 |
| 11. Spool valve—cutting unit lift, left (111-1399) | 22. Solenoid cutting cylinders forward (2-pl) (70-06-246) | 33. Diverter valve—right front cutting unit (953601) | 44. Test point—cutting unit drive, wing (910615) | |
